

Janelle Baerg, B.Comm, AACI, P.App

POSITION Appraiser in the firm Brunsdon Lawrek & Associates, an independent real estate appraisal firm.

QUALIFICATIONS Janelle has been employed in the real estate business in Saskatoon, Saskatchewan since 2001. She has been involved in the appraisal of both residential and commercial property. Janelle commenced her real estate career with Suncorp Valuations Ltd. (2001-2014), and joined Brunsdon Junor Johnson Appraisals in May of 2014.

EXPERIENCE Appraisal experience covers a broad spectrum of commercial, institutional, multi-residential and industrial properties, and includes market value appraisals amongst other types of real estate consulting studies. Janelle's specialties include agricultural properties, commercial and industrial properties, land development valuation, and specialty consulting. Janelle is an approved appraiser for a number of lending institutions and has completed assignments for local, provincial and national clients.

In addition to completing the educational requirements for the AACI designation (granted 2006), Janelle has taken numerous real estate courses including but not limited to Mortgage Fraud Course offered by RECA, IFRS course offered by UBC (University of British Columbia), Appraisal Review course offered by UBC, and Expropriation course offered by UBC.
